Pool Lighting

Your CDD Board would like to know your level of interest on the following matter.

The CDD Board of Supervisors will be discussing the option of upgrading the existing pool lighting to enable night swimming at their next meeting which is scheduled for **Wednesday, March 4th at 6:30 pm at the Phase 2 Amenity Center.**

Residents have expressed an interest in having night swimming at Johns Creek. Currently, Johns Creek does not meet the state requirements to allow night swimming.

Over the past couple of months, a study was conducted to determine the cost to upgrade our lights to allow for night swimming. The study determined that the cost for this upgrade would be approximately \$50,000 for the Phase 1 pool alone. This would involve an assessment for each homeowner.

If you would like to voice your opinion on this matter, please attend the next meeting.

We hope to see you there.

Sincerely,
James Masters
